WINE ADVOCATE

The Tenuta Madre 2019 Taurasi Vigna Carrani is a ripe and concentrated wine with dense layers of black and purple fruits, baked cherry, rum cake and crème de cassis.

The bouquet is lifted and bright, despite all that fruit extraction, with a vertical and slightly volatile delivery that gives this wine an approachable drinking profile. With only 1,266 bottles made, it offers medium length with softly integrated tannins that would pair with veal steaks and a baked potato. This is a fun new discovery.
